

Navigating the Healthcare Maze

with

Lorraine Bosha

Wednesday, November 22,
1 pm - 3 pm

Navigating our complex healthcare system while suffering with an acute or chronic health condition can be overwhelming.

Learn about your rights as a patient.

Using new strategies and techniques, discover how to best navigate the healthcare system and feel more confident about the choices you make.

Lorraine Bosha is founder and CEO of Shield Health Advocates. She has seen both sides of our healthcare system as a cancer patient as well as a Registered nurse.
