through Mental Health Crisis

Change in Program Name and Referral Process

Fraser Health's Child and Youth Crisis Program (CYCP) has changed its name and how youth and families can access mental health crisis support. *Please update your referral information and post this card.*

Now called the ***START Team*** (Short Term, Assessment, Response, Treatment), youth and families can directly access services by contacting the ***START Team*** at **1-844-START11** (1-844-782-7811). Professionals should continue to refer, also using **1-844-START11**.

Our focus remains the same - providing assessment and intervention services for 6-18 year olds experiencing a mental health crisis in Fraser Health.

If you have any questions or to learn more about ***START*** and these changes call 1-844-782-7811.

Regards,
The START Team
